

Payment Plan Summer 2024

Upon sign up you are welcome to pay in full or in instalments. Should you wish to pay in instalments you will still receive the rate you secured upon registration for example the early bird discount.

If you wish to pay with instalments a non-refundable deposit will be due at sign up of £100 per camper.

The balance is then spread out over a number of months to make it more affordable until the final payment is due on 1st July.

If you choose to pay via the payment plan the remainder of your total balance will be split evenly between all the remaining instalment dates.

You are also welcome to log in and pay off any amount at any time. Some campers like to do some fundraising and throughout the year can log in and pay off a specific amount.
