

Payment Plan Summer 2026

Upon sign up you are welcome to pay in full or in instalments. Should you wish to pay via instalments you will still receive the rate you secured upon registration for example the early bird discount.

If you wish to pay with instalments a non-refundable deposit will be due at sign up of £150 per camper.

The balance is then spread out over a number of months to make it more affordable until the final payment is due on 1st July.

If you choose to pay via the payment plan the remainder of your total balance will be split evenly between all the remaining instalment dates, and includes any merchandise or camp stash you added at the point of registration.

You are also welcome to log in and pay off any amount at any time. Some campers like to do some fundraising and throughout the year can log in and pay off a specific amount.

The instalment dates are:

1st November 2025

1st December 2025

1st February 2026

1st March 2026

1st April 2026

1st May 2026

1st June 2026

1st July 2026

Depending at what point in the year you book a space, you will pay £150 deposit and then all next instalments will be equally divided on the above payment dates

Campers Pocket Money (Camp Stash) can be added onto your account any time from registration up until the final payment date of 1st July.

Should you miss an instalment date you will be notified and given the chance to log in and pay the outstanding amount.
